Exploring the Arts!

**Fourth and Fifth Graders from Brennan Rogers School and The Foote School
with Rebecca Mickelson (Brennan Rogers) and Mike Golschneider (Foote)
10:00 to 12:00 on Saturday mornings**

Each week students will be exposed to the works of artists from around the world. This art will inspire them to create their own unique works of art. Through hands on experiences, students will explore a variety of art techniques and media. Students will work individually and collaboratively as they delve into the exciting process of art making.
